Dbr Dynamsoft Barcode Reader

License Agreement

Revision date: 09/26/2018

IMPORTANT: PLEASE READ CAREFULLY.

THE USE OF THIS SOFTWARE IS SUBJECT TO THE TERMS OF THE LICENSE AGREEMENT PRINTED BELOW. IF YOU DO NOT AGREE WITH THE TERMS, THEN YOU SHOULD NOT USE THE SOFTWARE OR ANY PART OF THE SOFTWARE IN ANY WAY. BY USING THIS PRODUCT, YOU AGREE TO BE BOUND BY ALL THE TERMS AND CONDITIONS OF THIS LICENSE AGREEMENT.

THE AGREEMENT

This document is a legal agreement between Dynamsoft Corporation, Canada, hereafter referred to as "Dynamsoft", and the user of the software, hereafter referred to as "You".

DEFINITIONS

"SOFTWARE": The "Dynamsoft Barcode Reader" software and all accompanying components, parts and documentation that have been developed by Dynamsoft.

"Licensee" means the person or entity entering into this Agreement with Dynamsoft. Any person who is entering into this Agreement on behalf of an organizational entity represents that he or she has the authority to bind such entity.

"Application" means an end user program which Licensee develops using the SOFTWARE and into which the Redistributables are incorporated, and which contains significant additional functionality over and above the functionality contained in the SOFTWARE.

"Redistributables" are those runtime libraries and files intended for duplication and distribution with the Application.

"Deployment License" allows Licensee to copy, deploy and redistribute the Redistributables to end users as part of the Application.

"DESKTOP APPLICATION" means a self-contained Application that runs from a local drive and does not require network connectivity to operate.

EVALUATION LICENSE

Dynamsoft grants Licensee a limited, non-exclusive, non-transferable license to use the SOFTWARE for evaluation purposes for 30 days. An Evaluation License does NOT grant you the right to distribute the SOFTWARE.

GRANT OF LICENSE FOR DESKTOP APPLICATION

The SOFTWARE can be licensed on a per developer or per runtime basis.

DEVELOPER LICENSE

Dynamsoft grants you a limited, non-exclusive, non-transferable (with an exception; see below) license to use the SOFTWARE and the accompanying materials for the purpose of development by a single named developer.

With Per-Developer License, only one named developer can use the SOFTWARE for development purpose. Licenses are non-transferable (with an exception; see below) between developers. Therefore, if a company has "x" developers who will use the SOFTWARE, the company requires "x" Per-Developer licenses purchased. The same provision applies if, for example, the developers will not be working with the SOFTWARE at the same time.

Non-transferable: a PER-Developer license can be transferred to another developer of the same organization, only if the licensee is no longer working for the organization.

RUNTIME LICENSE

For each Runtime License of the SOFTWARE purchased by Licensee, Dynamsoft grants Licensee a non-exclusive, non-transferable, perpetual, worldwide license for

one (1) named end user to install Application on one personal computer or workstation.

If such named end user installs the Application on an additional computer or workstation, one extra Runtime License is required.

RESTRICTIONS

Your product is targeted to end users. The end user application you develop using the SOFTWARE must not be another development tool and/or SDK.

Users of end user applications you develop using the SOFTWARE may not further use the SOFTWARE, in whole or in part, for software development, copying or distribution. You must enforce this restriction in a separate agreement between You and the end user of your applications.

Evaluation License holders are granted the use of only one copy of the SOFTWARE per Evaluation License. The SOFTWARE is "in-use" on a computer when it is loaded into temporary memory (i.e. RAM) or installed into the storage device of that computer.

You may make a single copy of the SOFTWARE for backup purposes only.

You are not permitted to directly or indirectly expose the properties and methods of the SOFTWARE.

All rights reserved. You may not use, copy, modify, reverse engineer, decompile, disassemble, sell, transfer, hire, lend or otherwise distribute the SOFTWARE or any accompanying materials in whole or in part, except as expressly provided for in this agreement.

Old license(s) will be revoked within 60 days after a license upgrade.

The Company reserves the right to change these terms and conditions at any time without prior notice.

The DESKTOP APPLICATION which runs on a Windows or Linux operating system must not be embedded into a larger piece of equipment or device and become a part. Otherwise, the Desktop License does not apply.

OWNERSHIP

Dynamsoft shall remain the owner of the SOFTWARE.

This license does not confer any ownership rights to the licensee.

WARRANTIES AND DISCLAIMERS

THIS SOFTWARE AND THE ACCOMPANYING FILES ARE SOLD "AS IS" WITHOUT WARRANTY OF ANY KIND EITHER EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. ANY USE BY YOU OF THE SOFTWARE IS AT YOUR OWN RISK.

NO LIABILITY FOR CONSEQUENTIAL DAMAGES. UNDER NO CIRCUMSTANCE SHALL DYNAMSOFT BE LIABLE FOR ANY DAMAGES WHATSOEVER ARISING FROM THE USING OR INABILITY TO USE DYNAMSOFT PRODUCTS.

APPLICABLE LAWS

This agreement shall be governed by the laws of Canada.
