## THE AGREEMENT

This document is a legal agreement between Dynamsoft Corporation, Canada, hereafter referred to as "Dynamsoft", and the user of the software, hereafter referred to as "You".

## DEFINITIONS

"SOFTWARE" means the software known as "ImageCapture Suite" and all its components, parts and documentation, which have been developed by Dynamsoft.

## GRANT OF UNLIMITED LICENSE

Dynamsoft hereby grants You an unlimited, non-exclusive, non-transferable license to develop with the SOFTWARE and to deploy the SOFTWARE onto an unlimited number of web servers, with the condition that the application supported by the SOFTWARE is the one specified by You when You order the SOFTWARE.

Be aware that the Unlimited License is **application specific**. A single license can only be used for the support of a single application. If You need to distribute the SOFTWARE with more than one application you will need to purchase additional licenses.

## FEES

### (1) Initial Payment

You shall make an initial payment, which includes the SOFTWARE license fee and the annual maintenance fee for the first year (alternatively, a 3-year maintenance fee payment can be made).

### (2) Annual Maintenance Contract Renewal

As long as this Agreement remains in effect, You will need a valid annual maintenance contract for the following purposes:

- Deploying the SOFTWARE on new web servers
- Free upgrade when new versions of the SOFTWARE become available
- Premier technical support

The annual maintenance fee is due one year after your original SOFTWARE purchase date, and will come due on that date each year thereafter.

The end user application must not be another development tool (such as ActiveX control) that is designed for use in the creation of other end user applications using the SOFTWARE. Users of any end user applications may not further use the SOFTWARE, in whole or in part, for software development, copying or distribution. You must enforce this requirement via a separate agreement between You and users of any end user applications that utilize the SOFTWARE.

You may make a single copy of the SOFTWARE for backup purposes only. You are not allowed to directly or indirectly expose the properties and methods of the SOFTWARE. All rights reserved. You may not use, copy, modify, reverse engineer, decompile, disassemble, sell, transfer, hire, lend or otherwise distribute the SOFTWARE or any accompanying materials in whole or in part, except as expressly provided for in this agreement.

## **OWNERSHIP**

Dynamsoft shall remain the owner of the SOFTWARE.  
This license does not confer any ownership rights to the licensee.

## **WARRANTIES AND DISCLAIMERS**

THIS SOFTWARE AND THE ACCOMPANYING FILES ARE SOLD "AS IS" WITHOUT WARRANTY OF ANY KIND EITHER EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. ANY USE BY YOU OF THE SOFTWARE IS AT YOUR OWN RISK.
